Cruise Close To Home™ with American Cruise Lines, the leader in U.S. River & Coastal cruising and the largest cruise line in the U.S. with the newest and most environmentally friendly fleet of 100 to 200 passenger ships. American’s cruises visit 25 states in the Pacific Northwest, Alaska, New England, the Southeast, and the Mississippi River regions. The Line has over 35 itineraries, ranging from 5 to 22 days in length, and has been consistently recognized for providing personalized service aboard the finest ships. With 30 years of experience in cruising, American Cruise Lines exceeds the expectations of the most seasoned and sophisticated traveler. Year after year, it is the most awarded U.S. cruise line.

American Cruise Lines operates the newest American-built fleet, including: Victorian-style paddlewheelers, coastal cruise ships, and the only modern riverboats in the U.S. American has become the gold standard for cruising in the U.S. through a focus on ship innovation and a tradition of building only brand new ships. With two new ships introduced in 2018, one in 2019, and additional new builds coming in 2020 & 2021, American continues to expand the largest modern fleet in the U.S., and offers the most diverse selection of ship styles available in the country.
American’s itineraries offer a personalized, all-inclusive cruise experience featuring: fine dining, complimentary cocktails each evening, complimentary beer & wine with lunch and dinner, complimentary onboard entertainment, many complimentary shore excursions, and free WiFi. Most cruises also include complimentary pre-cruise hotel and transportation packages. American Cruise Lines caters especially well to mature sophisticated travelers in search of culturally unique and enriching American experiences.

**ENRICHMENT**

American offers carefully curated cruises with over 160 guided shore excursions that showcase the distinct flavors and cultures of the regions traveled. The Line also invites carefully selected experts on board for enrichment programs including: informal lectures, open discussions, concerts, evening entertainment, and onboard activities that bring local history, nature, and culture to life.

**CUISINE**

Every cruise features an all-American menu prepared by the finest chefs to complement the season and region American’s guests are traveling. All special dietary needs are handled with precision and care. Meals are prepared to order and served in an open-seated dining room where every seat offers a panoramic view of the passing scenery.

American Cruise Lines is proud to introduce its revolutionary Modern Riverboat Series—the first contemporary-style riverboats available in the U.S. American’s ships are technically advanced, possess the newest safety and navigation equipment, and are the most environmentally friendly small ships on U.S. rivers. The new modern riverboats meet the highest emissions standards, have tiny carbon footprints, and showcase sophisticated interior design.

Each new ship in the series possesses a unique (patent-pending) opening bow and retractable gangway, which enables these riverboats to make bow landings wherever necessary. American’s modern riverboats feature soaring multi-story glass atriums, huge standard cabins, enormous suites, and spacious single cabins—all with private furnished balconies. The new modern riverboats have comfortable lounges, gorgeous sun decks, grand dining rooms and smaller casual cafés. Designed with 3 times the glass of other U.S. riverboats, American’s modern riverboats offer spectacular views from everywhere on the ship.

American’s modern riverboats add a new dimension to U.S. river cruising. They provide an exciting new alternative to the beautiful paddlewheelers and coastal cruise ships already in American’s fleet.
