American Adds a 5th New *Extended Cruise* to Celebrate Country's 250th

Guilford, CT—August 4, 2025—American Cruise Lines has added a 5th new itinerary to their 2026 collection of ***Extended Cruises*** commemorating the country's 250th anniversary. Next year, from October 8th to November 8th, American's **32-Day Revolutionary War Cruise** will operate between Albany, NY and Washington, D.C. Featuring Revolutionary War experts on board, this patriotic adventure will tell the story of America's fight for independence as guests sail the Hudson River and sections of the East Coast during the region's peak fall foliage season. Throughout the cruise, American's small ships will dock directly in the heart of famous destinations like New York City, Boston, Annapolis, Yorktown, Sleepy Hollow, Newport, Plymouth, and Philadelphia.

This *Extended Cruise* itinerary also offers guests the unique opportunity to sail aboard all three of the newest cruise ships in the country: *American Legend*, which launched in October 2024; *American Patriot*, which began sailing in June 2025; and sister ship, *American Pioneer*, which launches in October 2025.

Daily enrichment and guided shore excursions will uncover famous destinations like West Point, Mount Vernon, Hyde Park, and the nation's historic triangle—Jamestown, Williamsburg, and Yorktown—pivotal places that defined the birth of our nation yet remain even more vibrant today. The itinerary also includes a stay at the Four Seasons in Washington, D.C., as well as a special visit to the Smithsonian's *Entertainment Nation* exhibit which American Cruise Lines proudly sponsors.
