

THE AMERICAN EXPERIENCE

PERSONALIZED SERVICE

Our small ship design creates an intimate environment where our guests are treated with the utmost care and attention. Our crew members take pride in knowing our guests by name and understanding their preferences.

ONSHORE EXCURSIONS

American Cruise Lines offers over 600 customized shore excursions for every interest and activity level. Led by the finest local guides, we deliver culture, history, and enlightenment at each port of call.

ONBOARD ENRICHMENT

We carefully select onboard experts for our enrichment programs, which include informal lectures, open discussions, musical entertainment, and activities that bring local history, nature, and culture to life.

EXCEPTIONAL CUISINE

Every cruise features an all-American menu prepared by the finest chefs to complement the season and region. Meals are prepared to order and served in an open-seating restaurant where every table offers a panoramic view of the passing scenery. Some ships also have a casual dining option.

★ HOTEL STAY ★

All cruises include a hotel stay the evening prior to embarkation, as well as concierge luggage service and transportation to the ship. Select Southeast, Northeast, and Puget Sound itineraries offer an optional Four Seasons Hotel package upgrade.

★ PRE-CRUISE PACKAGES ★

Guests have the option to purchase enhanced pre-cruise packages in Memphis, TN or Clarkston, WA. These packages typically include a two-night hotel stay, a private city tour, concierge luggage service, and a transfer to the ship on the day of departure. Contact a Cruise Specialist for availability and pricing.

**Pre-cruise packages must be reserved at least 30 days before cruise date.*
